PILWOOD® fence boards

PILWOOD® fence boards made of WPC (revolutionary wood-plastic composite combines **60% wood ratio** and high-quality, harmless **HDPE 40% polymer**) represent a convenient option due to high resistance and long service life, with no need of paint. What we have here, is one of the **most resistant** and **most durable maintenance-free** materials for your fence. Fence boards are made in CR, and offer quality profile with full colouring.

- quality Czech product
- up to 25-year warranty*
- no painting or varnishing
- easy maintenance
- high resistance to weather variations
- original design

* Warranty based on warranty terms of company PILECKÝ s.r.o.
